Janice Hellman moved to approve the meeting minutes for May 12, 2021, and the electronic meeting minutes for May 5, 19, and 26, 2021. Martha McKinney seconded the motion. The motion passed by roll call vote.

5. Program Reports:

a. Community Alternatives of El Paso County (CAE)

Scot Smith reported an average residential facility census of 172 with 38 non-residential clients. He stated they had 98 transition clients and 74 diversion clients; that 15 clients at the Cheyenne Mountain Reentry Center are currently in quarantine before movement to general population; that they had 18 absconds; and that the employment rate was at 76.2%. Mr. Smith announced they held a Memorial Day event and plan to hold a Father's Day celebration.

Martha McKinney asked about the increased number of escapes and Mr. Smith stated he would investigate the matter and report back to the Board. Martha McKinney expressed concern that escape rates and UA rates are on the rise. Mr. Scot stated that many escapes appear to be diversion clients and that by offering additional pro-social activities to keep clients engaged and active may help reduce escape rates. Chair Kelly stated that the legislative change created an opportunity for increased escape rates with little consequence and that he would applaud provider efforts to incentivize clients.

b. ComCor, Inc. (CCI)

Mark Wester reported an average residential facility census of 267; that they currently have 154 diversion clients and 92 transition clients; that they had 15 successful terminations and 21 terminations for reasons other than success; that they had 11 escapes; and that 81% of the population was employed. Mr. Wester stated that some clients in specialized programs do not work.

Mr. Wester stated the facility was currently on outbreak status but would end soon. He stated that an outbreak is considered two or more individuals with a positive COVID test and that they continue to do weekly surveillance testing. Mr. Wester shared that they are in the middle of the Division of Criminal Justice Performance Assessment for Correctional Excellence (PACE) Audit.

6. Monthly Reports:

- a. **SFY21 Financial Report:** Angel Medina reported the expected expenditure for the period of July 21, 2020 through April 30, 2021 was 83.33%. CAE was at 58.95% representing a 24.38% under expenditure, and that CCI was at 84.23% spent, representing a .90% over expenditure.
- b. **SFY21 Unauthorized Absence Report:** Angel Medina reported that for the end of April 2021, the unauthorized absence rate for Diversion clients was 40.5% and 26.9% for Transition clients (37 total clients for the month April). He reported the successful completion rate for Diversion clients was 28.8% and 46.8% for Transitional clients.
- c. **Staff Report:** Angel Medina reminded the Board of the upcoming CACCB meetings. Mr. Medina discussed the ComCor, Inc. PACE)\ Audit and shared compliments made by Carrie Barton from the Office of Community Corrections. Mr. Medina reviewed the EPC Public Health Order dated June 1, 2021. He stated that he was working with EPC Public Health to provide Mobile Vaccination clinics at CAE and CCI. The providers are in support of such an event. Mr. Medina noted this effort will include data collection to client and staff vaccination rates to consider lesser restrictions for our communal settings. Angel Medina updated the Board on the incident specific audit conducted in February 2021 at ComCor, Inc. and complimented CCI staff for their efforts to improve client services and program

7. Old Business:

- a. **In-Person and Remote Meeting Update:** Christine Burns stated that all COVID orders have been vacated by Governor Polis effective June 1, 2021 and as such, efforts are underway to identify and reserve appropriate in-person, virtual, or hybrid meeting space for the July 2021 and future Board meetings.
- b. **Community Corrections Data and Outcomes Update:** Christine Burns updated the Board on the Data and Outcomes matter; that Dr. Alexis Harper, the El Paso County Criminal Justice Planner has been working closely with staff and the Division of Criminal Justice to synthesize local community corrections data. Kirsten Swenson asked staff to research additional information on the role of the board. The location of the July 17, 2021 meeting was discussed.

8. New Business:

- a. **SFY22 Community Corrections Proposed Funding Allocation:** Christine Burns stated the allocation for Community Corrections was predicated on the signing of the long bill and upon receipt of an allocation letter from the Division of Criminal Justice. She stated that though the long bill has been approved, it had not been signed and an allocation letter had not been received yet. She stated that as the contract year ends June 30, 2021, staff request that the Community Corrections Board endorse a distribution of funds to the providers. Several Board members expressed concern at the level of performance from our providers and Mrs. Burns stated that performance measures are being developed in collaboration with our providers for SFY22 and that the Division of Criminal Justice has a statutory obligation to implement Performance Based Contracting which is expected to be implemented in SFY23.

Billie Ratliff moved to endorse to El Paso County Board of County Commissioners any allocation received by the Division of Criminal Justice for Community Corrections services in the 4th Judicial for SFY22 as follows: to Community Alternatives of El Paso County (CAE) and ComCor, Inc. (CCI) in equal amounts for residential inmate housing, non-residential funds and correctional treatment funds; that funds be reserved upfront for Out of District Placements (five beds); that Facility Payments be allocated based on discussion with the Division of Criminal Justice and long bill requirements; that any specialty bed funds be allocated as of July 1, 2021 equally to those with specialty contracts with the Division of Criminal Justice. Lori Griffith seconded. The motion passed unanimously by roll call vote.

- b. **Implementation of Revised Standard CS-062:** Angel Medina reported to the Board that the Division of Criminal Justice revised Standard CS-062 Interim Drug Testing process to take effect July 1, 2021. He stated the revision was related to the frequency of testing and minimum testing requirements.
- c. **Critical Incident Notification:** Angel Medina reminded CAE and ComCor, Inc. that they are responsible for critical incident notifications within 24 hours of the incident to the Division of Criminal Justice, Office of Community Corrections (OCC), community corrections program staff on behalf of the Community Corrections Board, and any referral agency. This notification includes an immediate phone call and a follow-up email within 24 hours of the incident. Mr. Medina stated that providers must also clarify the status and resolution of the incident, as well as any changes to the client's placement. Angel Medina provided examples of Critical Incidents to the Board.
- d. **Condition of Probation Placements:** Mr. Medina reported that he is working closely with Probation to create an environment to support Condition of Probation clients; that condition of probation clients may be reviewed more often as a result of this collaboration, which is expected to be in effect July 2, 2021. Lori Griffith stated that condition of probation was used in the past as an intermediate step before revocation and that the residential setting may offer stability and structure.

9. **Case Review – Ballot Results:** Results of the ballot were read.

10. **Board / Staff Comments** – Board Chair Kelly asked for any comments. No comments were offered by the Board or Staff. Board Chair Kelly said he looked forward to in-person meetings and asked for a motion to adjourn. A motion was provided, and seconded.

11. **Adjournment:** Meeting adjourned at 1:18 p.m.

Respectfully submitted,
