He stated they had 25 admissions and 22 escapes; that they had 60 positive urinalysis tests with the majority related to prescribed medication; that the employment rate increased to 89%; and that they collected nearly \$16,000 in restitution with over \$50,000 disbursed since the beginning of the year. Mr. Smith stated restitution assists clients in making positive behavior changes. CAE held a Mother’s Day Tea Party and are currently planning a Memorial Day event.

b. ComCor, Inc. (CCI)

Mark Wester reported an average residential facility census of 255; that they currently have 155 Diversion clients and 91 Transition clients; that they had 38 terminations of which ten were successful and 28 unsuccessful; that they had 18 escapes; that 78% of the population was employed. Mr. Wester stated that they will hold a National Guard vaccination clinic; that about 45 clients have been fully vaccinated to date; and that a client consultative committee request for a job search computer lab has been established and currently operational.

7. Monthly Reports:

- a. **SFY21 Financial Report:** Angel Medina reported the expected expenditure for the period of July 21, 2020 through March 31, 2021 was 75%. He stated CAE was at 53.21% spent representing a 21.79% under expenditure, and that CCI is at 76.61% spent representing a 1.61% over expenditure.
- b. **SFY21 Unauthorized Absence Report:** Angel Medina reported that for the end of March 2021, the unauthorized absence rate for Diversion clients was 36.4% and 21.6% for Transition clients (32 total clients for the month March). He reported the successful completion rate for Diversion clients was 28.8% and 46.8% for Transitional clients.
- c. **Staff Report:**

Angel Medina informed the board of the upcoming Colorado Association of Community Corrections Boards virtual meetings, to be held on June 18th for the orientation meeting and June 25th for the annual meeting and asked that interested Board members let him know for registration purposes.

Rose Roy stated that the 4th Judicial District Problem Solving Courts are seeking members to serve on a Unified Advisory Committee and asked that interested Board members contact Latisha Quintana.

Angel Medina stated there was an 80% return rate on the recently distributed survey to the Board members aimed at obtaining feedback regarding board services and the decision-making process. Mr. Medina thanked the El Paso County Criminal Justice Planner Dr. Alexis Harper, and Justice Services Graduate Intern, Kristen Sanchez, for developing the ten-question quality assurance survey. He stated that it has provided valuable information on ways to improve board member processes, including providing various training opportunities and increasing information sharing between our board, stakeholders, staff, and vendors to promote a better understanding of the Community Corrections programs and outcomes in the 4th JD.

Angel Medina presented information on the El Paso Board Training Quote (Fiscal Year 2021/2022). The training proposal included virtual and in-person training delivery methods. Four topics identified by the El Paso CCB as training needs in sequential order in which participants should attend are:

1. EBP/RNR: A brief overview of the 8 guiding principles for reducing risk/recidivism with specific focus on the Risk/Need/Responsivity (RNR) principle and how to adhere to RNR to improve offender outcomes.
2. SOAR Interpretation: Will give a brief overview of each of the SOAR instruments (SSI, LSI, ASUS, TxRW, CCJMHS), their purpose, scores and how to apply the scores to adhere to the 8 guiding principles.
3. BSMART: Will review the Social Learning theory and Due Process principles and how to apply those to the BSMART practices (sanctions, incentives, admin reviews, hearings) to shape offender behavior.

4. **Case Planning:** Will review how to apply the SOAR to case planning and basic concepts of creating case plans that affect behavior change around individual offender risk factors.

Angel Medina and Mark Allison discussed the Parole Administrative – Transition Clients Pilot Program. On March 1, 2021, after a successful initial pilot phase, the pilot moved into Phase II by fully consolidating caseloads statewide and assigning eight community parole officers to monitor cases. Parole developed an internal report that identifies the length of time a client has been in community corrections, their program status, and their progressive movements. The report will assist in preparing eligible clients for ISP-I/Parole, as well as identifying clients who have stalled in their progression through a community corrections program. The intention to staff the cases with the residential community parole officer, program case manager, and any other appropriate personnel to assist offenders according to their identified needs.

8. **Old Business:**

- a. **In-Person and Remote Meeting Consideration:** Chair Kelly stated that Board members have expressed interest in returning to an in-person Board perhaps September. Christine Burns was tasked with searching for a site that could accommodate social distancing. Mark Wester suggested investigating the Penrose House as they have some larger meeting rooms.
- b. **DCJ Partial Approval of CAE Standards Waiver Request:** Christine Burns stated that the Division of Criminal Justice (DCJ) approved in part the Community Alternatives of El Paso County standards waiver request from March 10, 2021. DCJ declined to waive CAE's request to modify CS-062 Interim Drug Testing Process and reiterated to CAE the expectation that Standard practices were to be observed. Additionally, DCJ offered to CAE technical assistance to navigate the challenges and held a technical assistance virtual meeting on best practices in safety and security with CAE.

9. **New Business:**

- a. **CC 3rd Quarter SFY21 Referral Data:** Angel Medina discussed the Residential Community Referral Reporting for Quarter 3 FY21. He stated HB 18-1251 required the Division of Criminal Justice to publish an annual report that include referral trends and acceptance data. Mr. Medina summarized the data for the 4th Judicial District.

10. **Case Review – Ballot Results:** Results of the ballot were read.

11. **Board / Staff Comments** – Board Chair Kelly thanked Jahna Pusedu for her Board service and Ms. Pusedu thanked the Board for the experience and for the work completed for the community. Chair Kelly also thanked Lexi Spadi for her service and read a Community Corrections Board proclamation thanking Lexi for her service. Angel Medina introduced Diane Frost, the new Community Corrections Clerk, to the Board. Kirsten Swenson questioned the large number of failures and escapes, community safety and that perhaps staff should investigate. Mrs. Burns offered to hold a conversation with interested Board members on this matter. Scot Smith and Mark Wester stated they would be interested in attending. Commissioner Geitner also expressed interest in this matter.
