

# CRIMINAL JUSTICE COORDINATING COUNCIL 2019-2021 ACTION PLAN

ADOPTED — NOVEMBER 2018

## A LETTER FROM CRIMINAL JUSTICE COORDINATING COUNCIL

Dear El Paso County and Pikes Peak Region Citizens,

El Paso County created the Criminal Justice Coordinating Council (CJCC) in 2017 to collaborate with our community partners to pursue innovative and holistic programs and services to improve our criminal justice system.

The CJCC consists of passionate and dedicated criminal justice professionals and citizens that have developed this Action Plan to guide improvements in the criminal justice system in the Pikes Peak Region over the next three years.

In an increasingly concerning criminal justice climate nationwide, it has become ever important that our criminal justice agencies, researchers, policy makers, and other stakeholders, are working together to develop evidence-based practices and innovative solutions to address challenges within the criminal justice system and strengthen community trust.

We have attempted to identify gaps in our criminal justice system and propose recommendations to address service deficiencies with the hope that addressing these concerns will encourage collaboration and confidence in our local system.

Jail overcrowding, pretrial services, behavioral and mental health, and workforce opportunities for individuals with a criminal history are some of the highlighted areas of focus for positive change within this Action Plan.

As the CJCC and its Committees continue to grow and flourish, so will the relationships between agencies and citizens. We invite all citizens to join with us as we strive to achieve the objectives in the Action Plan that will lead to a more effective and equitable criminal justice system in the Pikes Peak Region.

Sincerely,  
Darryl Glenn  
Chair, Criminal Justice Coordinating Council  
President, Board of El Paso County Commissioners

DARRYL GLENN

## CJCC COMMITTEE STRUCTURE

The **Criminal Justice Coordinating Council** has appointed five committees to focus on various areas within the criminal justice system.

The Action Plan is organized by each committee, listing objectives, evidence-based tasks and strategies, and timelines for achievement over the next three years to support and improve the Pikes Peak Region Criminal Justice System.

The **Pretrial Services Community Advisory Board** serves to help reduce the use of County Jail resources for defendants where less restrictive alternatives are appropriate, and to seek efficiencies in operating a cost-effective pretrial system that is safe, fair, and effective, which maximizes public safety, court appearance, and the appropriate use of release, supervision, and detention.

The **Strategic Planning Committee** collects and analyzes past and current criminal justice system data, identifies gaps and deficiencies in the criminal justice system, and makes recommendations to address service gaps. The Committee also researches, analyzes, evaluates, and develops innovative planning and strategy recommendations regarding criminal justice matters.

The **Financial Resources Committee** serves to explore and/or pursue legislative, federal, state, local and third party funding opportunities to support our criminal justice system.

The **Behavioral Health Committee** strives to bring together local service providers, agencies, and stakeholders to identify ongoing issues and gaps for people with mental health and/or co-occurring substance use concerns within the criminal justice system. The Committee is focused on prevention, diversion, and reducing recidivism.

The **Transition to Workforce Committee** strives to create workforce connections for Pikes Peak Region residents with criminal convictions who may have difficulty finding employment. A healthier and safer community can be built by increasing effective collaboration, planning, and information sharing, while promoting restorative justice and focusing on offender reconciliation with the community.

The **Legislative Affairs Committee** works to monitor and communicate with the CJCC regarding proposed legislative and regulatory issues, and to forecast the potential impacts legislative initiatives could have on the Pikes Peak Region criminal justice system. This committee annually develops CJCC Legislative Priorities for consideration and / or approval by the CJCC, works closely with CJCC member lobbyists to provide information regarding those priorities, and monitors proposed legislation to benefit the Pikes Peak Region.
